
FOR IMMEDIATE RELEASE

Ross & Baruzzini Hires Vice President of Client Solutions & Consulting

SAINT LOUIS, MO, October 8, 2007 – Ross & Baruzzini, Inc. today announced that Dan Proctor has been appointed as the Vice President of Client Solutions and Consulting. Proctor joins Ross & Baruzzini with more than 27 years experience in design and management in the security industry and has extensive experience reengineering, consolidating, optimizing and successfully leading business units in commercial and government organizations, especially those organizations that are focused on providing security customers knowledge vice data. Dan will focus his energy on developing homeland security solutions and business relationships in the Critical Infrastructure and Continuity of Government markets of transportation and government, particularly along the eastern seaboard.

“We are especially pleased to have Dan join our consulting practice” said Dave Kipp, Senior Vice President of Critical Infrastructure. “Increasingly, clients recognize that solutions to tough security challenges go well beyond traditional approaches – they involve domain awareness, operational process improvement and intergovernmental cooperation. Dan brings a tremendous level of experience and talent to those challenges.”

Prior to joining Ross & Baruzzini, Proctor served 20 years as a Naval Intelligence Officer, followed by tenures with EDS, as the Director of Navy and Marine Corps Intranet (NMCI) Network Operating Center (NOC) Norfolk, and with the Lockheed Martin Transportation and Security Solutions company, as Director of Operations for New York City. Proctor is a respected thought leader in the emerging regional level security market, and is capable of assisting commercial and governmental security customers develop collaborative inter-jurisdictional Domain Awareness solutions.
