

## Company Profile

---

Ross & Baruzzini is a leader in providing design and consulting for clients requiring solutions to their facilities and infrastructure challenges in the aviation, education, government, healthcare, and maritime industries. The firm is often engaged in the most challenging projects that require a high level of multi-discipline integration and a deep understanding of our clients' business processes in our areas of specialization:

- Mechanical Engineering
- Electrical Engineering
- Plumbing/Fire Protection
- Architecture
- IT Consulting
- Security Consulting
- Systems Engineering
- Wireless Consulting
- Commissioning

Ross & Baruzzini is known for our strong client relationships regionally, nationally and internationally regardless of where our staffing resides. By listening closely to our clients' needs and incorporating unique solutions to their specific problems, we develop long-term relationships based on trust, commitment and quality. The firm operates out of offices in St. Louis, Indianapolis, Miami, New York and Orlando.
